# Quick Start Guide

Getting started with ThePhotoStick® Omni

ThePhotoStick OMNI®

## How to Quickly and Easily Back Up Your Photos on Your PC or Mac Computer:

Windows

1. Plug ThePhotoStick® Omni into an open USB slot.

2. If it does not open on its own, find and open your File Explorer.

3. From File Explorer, double-click on ThePhotoStick.exe.

4. Once ThePhotoStick® Omni loads, follow the onscreen instructions.

macOS

1. Plug ThePhotoStick® Omni into an open USB slot.

2. Double-click on the desktop shortcut labeled as PHOTOSTICK.

3. Inside the File Viewer, double-click on ThePhotoStick_Mac.

4. Once ThePhotoStick® Omni loads, follow the onscreen instructions.
